Lineworker Rodney Cowle.

Front cover: Aurora crews installed fibre-optic cable at Lindisfarne Bay on Hobart’s eastern shore in late 2008, in a project managed by our Telecommunications Group. For further detail, refer to page 25.

## Envi Recycled Silk

## Tudor RP

We welcome your comments on this publication and invite you to complete the feedback form on page 155. This will assist us to ensure future reports cater for the requirements of our stakeholders. Also included with this report is an interactive CD, which links to our website.

This report, a feedback form and past reports can be accessed on our website: [www.auroraenergy.com.au](http://www.auroraenergy.com.au). Hard copies are available on request from the Public Relations Group, Aurora Energy Pty Ltd, GPO Box 191, Hobart, Tasmania 7001, or by telephoning 03 6237 3525.

The front section of this report was printed on Envi Recycled Silk, an Australian-made paper which uses 35 per cent recycled fibre and is produced in Australia utilising renewable energy resources. The financial statements were printed on Tudor RP, a 100 per cent recycled stock.
