**Important Notice**

It is an inevitable feature of electricity supply that there will from time to time be random power surges and power dips (or brown outs) which may cause consequent damage to appliances or machines connected to the supply at the time of the surge or dip. Aurora Energy Pty Ltd accepts no liability for the damage or loss caused by these surges or dips where they are due to factors outside Aurora Energy's control (such as but not limited to storm damage to the distribution system, lightning strikes, acts of vandalism by the third party). Customers are therefore strongly advised to install protective devices.

**Please read the following details**

Notwithstanding that the nominated account locations may currently be supplied under separate contracts in other customer names, I am authorised by those customers to have those contracts transferred to a Combined Account arrangement. I acknowledge and confirm that acceptance of the Combined Account Application is subject to the following conditions:

- i) the existing supply contracts for the transferred accounts will be cancelled with immediate effect in which case the applicant undertakes to make the necessary payment arrangements in respect of outstanding charges under those contracts.
- ii) that all charges for each account location included in this Combined Account arrangement will continue to be calculated on an individual site basis and cannot be accumulated for the purpose of sliding scale price structures.

**Account Conditions**

I acknowledge that electricity supply to the nominated account locations is provided in accordance with the provisions of the Aurora Energy Pty Ltd Standard Terms and Conditions or any code or regulation or ESI Regulator approved terms and conditions made in substitution for those Standard Terms and Conditions. I am aware that Aurora maintains the right to disconnect supply from all or any of the connections nominated in this application in the case of non payment of accounts rendered under this Combined Account arrangement. Account terms of payment are fourteen (14) days from the due date.
